Serving the community

Open Monday to Saturday 7am to 7pm Sunday 9am to 1pm

Thank you to our regular sponsors of the November newsletter, Jenny and David Sallnow. They have one message for you. "It would be good to see more of our villagers at the Pop-Up Shop each Wednesday morning in the Memorial Hall - it's not a food bank!"

If you are interested in 'sponsoring' an issue, it is a nominal cost of £10. You can now book for 2026 if you like as all the remaining months this year are taken. Should you have a special occasion that you wish to celebrate you may be able to share a month with someone else.

Become a trustee

A message from the Village Hall.

We're looking for a new trustee to join our friendly and dedicated committee. The Old Buckenham Village Hall is at the heart of our community — a space for events, activities, and gatherings that bring people together.

Our committee is made up of enthusiastic local volunteers who give a little of their time each month to help maintain, run, and improve the Hall for everyone's benefit. We're on the lookout for someone who can bring fresh ideas, life experience, and a passion for community life. Experience as a trustee, involvement with a non-profit, or business skills would be a bonus — but they're not essential. What

matters most is your interest in getting involved and making a positive impact.

The committee meet once a month, on a Wednesday evening (around one and a half hours) at the Village Hall.

Interested? Want to learn more? We'd love to hear from you.

Please email chair.obvh@gmail.com for more information or an informal chat.

Time to think pantomime

Old Buckenham Players will be hitting the pantomime trail in early January with the all-time favourite, Pinocchio, the tale of the wooden puppet who becomes a real boy. The toymaker's dreams of his wooden creation coming to life

The Old Buckenham Newsletter is published monthly and distributed free in and around Old Buckenham.

The editor is Ron Brewer of 'Crockslea', Cake Street, Old Buckenham, NR17 1PS who you can email with your news or your queries about advertising by going to obnewspostbox@aol.com

You can also keep up with the latest village news and see photos of the latest activities by going to <http://oldbuckenham.blogspot.com>

are aided by the Blue Fairy and Pinocchio's conscience and guide, Jiminy Cricket. The sinister Stromboli with his pesky sidekicks of the fox and the cat seek to use Pinocchio for their own immoral purposes as he is kidnapped and locked up. Escaping from Pleasure Island and being swallowed by a whale is all part of his journey as he learns to be honest, brave and good.

With popular songs and a cheeky script this promises to be a fun night out for all the family.

Running for three nights at Old Buckenham Village Hall from Thursday 15 to Saturday 17

January (and including a Saturday matinee) tickets are competitively priced at £12 or £6 for under 14s. They will be running their usual reasonably priced bar and choc ices (of course).

Tickets available from

Season's greetings delivered

There will be an All Saints postbox for local (village only) Christmas Cards. From Advent Sunday (30 November) there will be a postbox placed at the back of All Saints church for posting your Christmas Cards to friends who live in Old Buckenham. The box will be opened on Sunday 14 December (two weeks later) and the cards delivered by members of the church by Sunday 21 December. Please put the name and address of the intended recipient on the envelope – obviously no stamp required but donations for the church, placed in the wall safe box to the left as you exit the church

Communion, coffee and chat

After this month's Tuesday communion on Tuesday 4 November, these monthly services and the following 'coffee and chat' will be suspended until Spring next year. So remember no Tuesday communion in December.

Next prize and cash Bingo

The next Bingo raising funds for All Saints church is on Saturday 22 November starting promptly at 2pm in the Village Hall. All welcome as are donations of prizes which should be taken to Alison Frank at the Old School House on the Green. .

Another wonderful bird evening

On Friday 21 November at 7pm in the Village Hall we have the next talk from the BTO (British Trust for Ornithology). Dr Greg Conway, a Senior Research ecologist, will be talking about Nightjar migration and movement. It is only £5 cash on the door. Tea coffee and biscuits will be

available. So just come along with your £5 note and have an educational and entertaining evening.

Village Hall news

The Village Hall Management Committee met on Wednesday 8 October. Those present were Chair Gina Stanfield, Secretary Ian Coyle, Hall manager and Booking Clerk Stacey Reed, Tracey Hayden, Alison Frank, Teresa Kemp, Pete Twissell, Jenny Devaux and Eileen Oliver. Apologies for non-attendance were received from Graham Dye and Jay Lucas. The minutes of last meeting were agreed by all present and signed by the Chair. The Hall has received a quote for the repair of the vandalised pipe cover of £92.20 (retaining the existing solid framing and replace plastic areas with thick timber boarding. The committee felt that this was very reasonable and agreed to go ahead. The Hall Facebook page is now up and running. The end of October is the deadline for submission of Annual Return to Charity Commission. Also time for Health & Safety Policy review/renewal. Precept grant application needs to be done for the Parish Council by

the end of November.

The Bookings Clerk reported that the new Tots Time is going well and is well attended. The organiser would like to look at adding some other similar events. The Hall had an enquiry regarding holding some dog training classes in the hall.

Unfortunately this is not possible as the hall constitution does not allow dogs into the hall. The Hall has several big events booked for next year. The hall manager will look into holding an open day event to show what the village hall has to offer potential hirers. The CCTV cameras have been cleaned. The hall will be getting a second clothing bin (most locations don't get a second bin but as we have space and ours fills very quickly it has been agreed that we can have a second one).

The electrical PAT test has been completed. Hey Girls products are now placed in the ladies toilets and are available free of charge. Kate from KM first aid organised for these to give something back to the hall for all the years of hire. They are biodegradable which means they decompose in months instead of years like the standard products available on the market. This is

better for the environment. Hey Girls ask businesses to offer complimentary products in their work place to combat embarrassment and period poverty. The electrician has quoted to replace the current florescent lighting with LED lighting as the florescent tubes that are currently installed are no longer available. The fire extinguishers have been checked and the boiler has been serviced. The hall manager has agreed to take on the policies work and the secretary is happy to assist with this if needed.

Future events include the bird talk by the British Trust for Ornithology which has been booked for Friday 21 November and the subject is to be nightjars. Tea and coffee will be available and possibly a bar. Slimming World have been approached regarding holding regular meetings at the hall. They will need to look into the demand and will be back in touch when they have completed their assessment. It was suggested that the Chair, Secretary, Hall Manager/Booking Clerk and the Treasurer have the option of a village hall email address rather than using their personal email addresses. There is currently one in place for the bookings so the hall manager will look into setting up additional email accounts for

committee members.

It was also suggested that if people do not want their personal phone numbers on anything public accessible in the hall then the hall mobile number can be used. The hall manager will then have a contacts list for the committee members and should the need arise she can then contact the relevant committee member. The committee member can then contact the person who wished to speak to them and can then withhold their personal number if they wish to do so.

The current web page giving all details of the hall facilities is proving difficult to update and is looking a bit dated in its functionality. Will look into the possibility of moving it to a new web provider such as Square space or Wix and what the cost

implications of setting up a new website would be.

There may be some benefit in having deputies for the Chair, Secretary, Hall Manager/Booking Clerk and Treasurer. There were volunteers to do this for the Hall Manager/Booking Clerk, Secretary and Chair. A deputy to represent the Treasurer at meetings is more difficult and would need to be discussed with the treasurer to see if this is possible or not. The decorating of the hall for Christmas will be on Friday 5 December at 6.30pm.

Date of next meeting will be Wednesday 12 November at 7.30pm (one week later than usual due to Bonfire night).

Stables, Hargham Road, NR17 1SS. Proposed erection of 8 No self build dwellings (PL/2025/0529/FMIN). Site plan updated to include visibility displays as requested from Highways. Comments raised included there was still an issue with wildlife (bats and barn owls) that have not been addressed. Light pollution is also an issue. There is no plan for a footpath to be built, which would be required, but this could reduce the already narrow road. For the visibility displays, the veteran trees to the west of the build would need to be removed. These are protected trees and should not be removed. Opinion on this planning application has not changed. It is not an appropriate site for new houses. Proposal to object was approved (5 in favour). *'No parking' signs for children's Play Area.* Three quotes had been obtained and Parish Council voted to go with option 1 for £118.72 (5 in favour).

The next Parish Council meeting would be on Thursday 2 October at Old Buckenham Village Hall starting at 7.30pm.

OB365, our village in 2015

Roger Peacock shares his memories of ten years ago: As we are in its 10th anniversary year, I thought it would be an idea to take

a look back at the photography project started on January 1st 2015 with the aim of publishing a picture of our village every day for a year. The idea was conceived and started by Steve Milner who called up a team of volunteer residents who each chose their own picture for a day via a rota system. The only stipulation was that the picture had to be within the village boundary. As the project got underway, Ron Brewer and myself joined in with the running of it and an enthusiastic team of volunteers covered all ages from 8 to 80. This broad mix of photographers produced a wide and sometimes quirky array of pictures documenting village life. It captured many of the bigger events of the year such as the Tour of Britain coming through the village but also simple shots of the comings and goings of village life in changing weather and seasons. For a while a "Picture of the Month" competition was included and the first winner was one of the youngest in the team, Philippa Clark.

As a community project instilling both village pride and an interest in photography it was a brilliant scheme and I would like to thank every single contributor who submitted their pictures. Sadly the website hosting the scheme

October Parish Council

*These notes have been written by
the blog editor from the draft
minutes and so may contain
information that is changed later.*

Old Buckenham Parish Council met
on Thursday 2 October at 7.30pm
in Old Buckenham Village
Hall. Those present were
councillors Naomi Bailey (Chair),
Doug Irons (Vice Chair), Stan
Burton, Lesley Evison and Steve
Gowers. Apologies for non
attendance had been received from
Megan Elvin (Clerk), David Taylor
and Pete Twissell. Also present
were several members of the
public.

The minutes of the meeting held on
Thursday 4 September were
approved (5 in favour). The minutes
of the extra ordinary meeting held
on Friday 19 September were also

approved (5 in favour).

Financial matters. The Barclays Community account balance was £38,451.48, the Barclays Charity account balance was £2,990.18 and Lloyds account balance £2,583.83. Payments for approval totalled £1,443.95 and included £691.75 for paper for the village newsletter, £327 wages for the parish clerk, £250 to the village handyman, £51 for room hire for Parish Council meetings and £124.30 to the community car drivers. The proposal to agree to these payments was approved (4 in favour, Doug Irons abstained). Doug Irons and Megan Elvin will be added to the Barclays Bank account and this will be done online completing the mandate forms.

Councillors' reports. Lesley Evison said some signs on March Field Way were missing, warning of shallow water and fencing post broken. Important for Parish Council to report and get rectified as it could be dangerous for children. Doug Irons said the post office parking was not yet done but will be done by next meeting. Naomi Bailey reported that the West View site meeting was in progress. She has emailed Highways to ask about making a weight limit on Hargham Road and

so stopping HGVs from using useless deliveries. Awaiting response. The cones and barriers are sorted for Remembrance day. She would like to thank Donna Oakley, who is standing down as RFO, for coming to our rescue during difficult times. Her help and knowledge was invaluable to the Parish Council and we will be forever grateful.

She has been contacted by New Buckingham Parish Council regarding the roadside nature reserve (RNR) on Cuffer Lane being extended. Also received an email from NCC about this too. Alison Hannah has temporarily taken over as co-ordinator for the community car scheme from Adrian Joel. She has drafted a list of useful information and basic regulations for all drivers and this will be reviewed by councillors. Currently not all driver information is up to date. The RFO applies quarterly for the grant from Breckland Council. It has been brought to the Parish Council's attention that trees have been planted on the Green without permission. Need to work with the Green Working Committee to see if these are self-seeding saplings and decide the best course of action.

New planning application.

Burroughs Farm Cottage, Hargham Road, NR17 1NU. Proposed detached garage (PL/2025/1416/HOU). There were no issues and a proposal to agree was approved (5 in favour).

Green Working Committee update. The Chair of the committee was present to give the update. An extensive amount of tree work to be completed. Seven dead trees. Five tenders sent out to deal with this and four responded. Broadland Tree Services: To leave timber: £3,576 (including VAT), to take timber: £2,136 (including VAT) plus stump grinding £360. TG Bird: To leave timber: £3,660 (including VAT), to take timber £3,240 (including VAT). Emerald: £9,840 (including VAT) – does not offer to leave timber. EG Groundcare: £5,754 (including VAT) – does not offer to leave timber. The committee favoured Broadland Tree Services taking the timber away. To be voted on at the next Parish Council meeting.

Green cutting three year plan 2026-2029. Seven tenders sent out and three received back. Clearscape: £7,986 (including VAT). Broadland Tree Services: £7,632 (including VAT). EG GroundCare: £9,120 (including VAT). Plus £1000 contingency if needed for emergencies. The committee

favours using Broadland Tree Services.

Rod Alley Pond needs lots of work including extensive reed removal and cutting round edge. It is also overpopulated with fish and it will be looked early next year. Lesley Evison thanked new volunteer secretary Ian Coyle and said about volunteer mornings coming up in November. Stan Burton had looked in Prince Harry's Wood. Lots of saplings need clearing rubbish been dumped by residents of St Andrews Close and March Field Way. This needs removal and won't be a quick fix. Also ramps have been built on pathway which need removal. The Parish Council is not insured for them and no permission given. Will need a large group of volunteers for a big tidy up. Would it be possible to purchase a chipper? Stan Burton to submit a quotation for next meeting and proper protection gear would need to be purchased. Also mentioned that these ramps must not be mixed up with newt habitats in the woodland.

Ottomer Pond (ongoing). Stan Burton has laid the slab foundation and will construct the sluice next week. Thank you given for supply of materials.

Approval of following policies and documents. The Grants Policy,

Grant Application Form, Quotation Approval Form and Terms of Reference Template were all approved (5 in favour).

Parking (ongoing). There had been considerable improvement but still some cars parked all day on Abbey Road. Since quotes obtained for parking signs prices have increased by £25 + VAT. Proposal to buy signs was approved (5 in favour).

Old Buckenham Heritage Group. Still only one person interested. Naomi Bailey to share on social media, Doug Irons to advertise on website and editor to advertise in newsletter again.

Allotment update. Three quotes obtained for a skip. Looking at between £235 and £319.70 depending on length of time it is there. Lots of clearing to be done, will need many volunteers to help. Naomi Bailey to post on social media about volunteers. Stuart Barker to dig hole for burning waste wood with permission of landowner.

Drainage on Hargham Road. Work to commence at end of October.

Hargham Road. Comments received on 7.5t lorries restriction. Steve Gowers to look at arranging traffic survey and Naomi Bailey to send email to Highways.

Footpath along Green. Markings from Highways have appeared. The

Parish Council feels it has an obligation to push for resurface to be done properly. Path has lost 100mm to 150mm to grass growth.

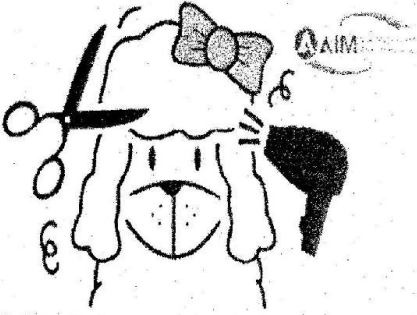

Remembrance Parade. Further barriers have been sourced. Lesley Evison to read the names of the fallen and lay wreath. Parish councillors to meet at 10.15am to sort closures. High viz must be worn. The Clerk to print fifty copies of order of service. The Vicar is not able to attend. Waiting to hear from a volunteer. Service will follow the Royal British Legion order of service.

Prince Harry's Wood. Discussed earlier in Green Working Committee report.

Christmas Tree order. Megan Elvin is to order as soon as possible. To be the same size as last year. Some new bulbs for the tree will be needed as some have blown. All to be ready by Sunday 7 December.

Solar Farm. Doug Irons has drafted a letter that proposed changes to original charter from Pace. He will send it to councillors for approval and, once approved, he will set up a meeting with Pace.

Air Show traffic management. Naomi Bailey has spoken with Matt Wilkins at the Airfield. He was concerned to hear of unsafe parking. Traffic management plans

have been submitted for 2026. He agrees public should not be parking all over the Green and has suggested to help by sending two SIA qualified security guards to help police parking at his own cost. To be discussed at next Parish Council meeting.

School crossing. Naomi Baily had been approached by concerned parents regarding Abbey Road crossing near the High School and how unsafe it is. She is in correspondence with Paul Beale and Helen Mitchell at the schools to find some solutions.

RFO recruitment. Two applicants had applied and interviews to take place shortly.

Public participation. Asked about Ottomer Pond and why it is taking so long. Was told the chamber works are scheduled for completion end of October. Would the Hargham Road development mean the 30mph speed limit was extended? Alison Frank has offered to lay wreath for the Women's Institute at the Remembrance service.

Items for next agenda. These were expected to include Ottomer Pond (ongoing), School crossing, Remembrance Parade, Allotment update, footpath on Green, village Heritage Group, woodchipper purchase and Community Car

scheme document approval.

The next Parish Council meeting will be on Thursday 6 November in Old Buckenham Village Hall at 7.30pm.

Youth Club time indoors

With the evenings getting darker the youngsters at the Youth Club are no longer able to play with the sports equipment outside so are needing to find things to do inside. The club does have a number of board games but on the whole the kids like the activity games they have but they don't have many. They have a pool table, indoor table tennis and a small skittles stand. Do you have any indoor activities suitable for 10 to 14 year olds? They are thinking of things like table football, bowls, 'safe' darts, hoopla, etc. If you have anything please email obyouthclub@gmail.com.

Have some festive fun

The annual Festive Fair is on Saturday 6 December from 2pm till 4pm in the Village Hall in aid of All Saints Church and also to bring villagers and friends together. They have many people signed up but if you would like a table please contact Alison on 01953 860692 or andrew.frank@btinternet.com.

Have we an archivist?

The Parish Council has been considering setting up an Old Buckenham Heritage Group. This village, its people and its buildings have lots of history behind them. It would be useful if information on this was available from one source where anyone in the village could find it. If you think you have any of the skills that would be perfect for this type of job please pass your details on to the parish clerk so that this matter can be discussed at future Parish Council meetings council meetings. Thank you very much.
